MIDNITE LEAGUE

1. Standard Dewar Course fired on Midnite-Moonlite targets with any sites. Fired on Thursday nights May 19 – August 25, except for July 21 + 28 (no match). First relay commences at 5:00 p.m., last relay commences at 7:00 p.m.
2. A handicap system will be used. Each week, shooters will select their handicap before firing. After shooting the match, the handicap will be added to their score for a final total. For every point over 400, the shooter will be penalized 2 points. **EXAMPLE:** Wind Doper John takes a handicap of 3 points. He fires a score of 395, so with his handicap, his total score is 398. Crossfire Nick takes a handicap of 5 points. He fires a score of 396, so with his handicap, his total score is 398, because of the 2 point penalty for going over the maximum score of 400 by one point.
3. Awards will be given for individual scores only. Separate awards will be allocated for each Thursday evening and result sheets posted for each week's match. Awards will be earned on both scratch and handicap scores.
4. Awards will be in the form of cash for 1st (5 shooters), 2nd (10 shooters), and 3rd (15 shooters). Additional awards for each 5 shooters.
