

Blue Trail Range Participates in 1st Annual King Phillip Challenge – Jan 2016

By Match Director Tom Pasko

The 1st annual King Phillip Challenge was held on January 2nd and was a great start to a new shooting tradition. It was a tall order to continue on with the tradition of shooting in the basement of a church every January, but we believe we were successful and hope to see this match grow its own tradition.

To help kick-off this annual event, 6 Rifle Teams brought shooters to the Metacon Gun Club's Simsbury range:

- Bridgeport Rifle Club
- Blue Trail Range
- Montville High School
- Niantic Shootmen's Club
- Stratford PAL
- & the home Metacon Junior Rifle Team.

There were 46 shooters in the junior 3P competition, with shooters coming from all across the state. Kaitlin Kutz(BTR) shot a 295 to take the match. Closely following were Jacob Legace(BTR)[293] & Tyler Glynn(MHS)[292]. Lillian Davenport(MJRT) closed out the individual awards with high female [291]

BTR – Team #1 won the team competition with a final score of 1153:
Kaitlin, Josh Lindgren [289], Harrison Callahan [287] & Gillian Riordan [282]

There were 16 shooters in the sub-junior Prone competition. Emma Acampora(BTR) shot a 297 to take the match. Closely following were Haley Reynolds(BRC)[295] & Kyle Kutz(BTR)[294]. Kiera Ulmer(NSC) closed out the individual awards with high female [294].

BTR – SJ Team #1 won the team competition with a final score of 1159:
Emma, Kyle, Lisa Courville [288] & Sydney Hawke [280]

The Metacon Gun Club will sponsor and host this annual event, carrying on the great tradition of the Middlebury Junior Rifle Match.

Hope everyone had a great time and hope to see you next year – keep the 1st weekend of the year open.
