MIDNITE LEAGUE

1. Conventional Dewar Course fired on Midnite-Moonlite targets with any sights, .22 rimfire rifle. League runs on Thursday nights— April 22, 29; May 6, 13, 20; June 3, 10, 17, 24; July 15, 22, 29. Relay times are 5PM, 5:30PM, 6PM, 6:30PM, 7PM, 7:30PM (you need to fire on two relays; one target each at 50 yards and one at 100 yards). All shooting must be completed by 8PM; range closes at 8:30PM.

2. A handicap system will be used. Each week, shooters will select their handicap before firing. At the conclusion of the match, the handicap is added to the raw score for a final handicapped score. For every point that the handicapped score is over the maximum score of 400, the shooter is penalized 2 points.

EXAMPLES:

- a. Wind Doper John takes a handicap of 3 points. He fires a raw score of 395. $395 + 3$ point handicap = 398 final handicapped score.
- b. Crossfire Nick takes a handicap of 5 points. He fires a raw score of 397. $397 + 5$ point handicap = 402 (2 points \times 2 point penalty = 4 points, giving him a final handicapped score of 396 (400 – 4 points)).

3. Awards are based on individual scores only. Separate awards will be allocated for each Thursday evening for both scratch and handicap scores. Result sheets will be posted each week on <https://www.bluetrailrange.com/shooting-club-events/competitive-shooting/> website.

4. Awards will be in the form of cash. 1st Place (5 shooters), 2nd Place (10 shooters), 3rd Place (15 shooters). Additional awards for each 5 shooters. Trophy can be ordered for value of cash.

5. Match fee is \$10 per night.
